Subject: RE: Meeting minutes from all EW AB Meetings large and smaller

Ravi – attached are the Anthropogenic Background Meeting Notes in one place. These were previously sent to EPA in multiple emails. Here are notes from my records that might be helpful (let me know if any of these seem incorrect):

- The meeting on 8/12/2020, which predates the rest of the series, did not have formalized meeting notes.
- Large Group Meeting 2 was cancelled
- I don't see final notes for Large Group Meeting 6 (Small Group Update to the Large Group; 1/13/2021).

Let me know if there are any questions,
Greg

Ravi,
Sure, we can do that. Do you want separate pdfs, or a single pdf for each meeting?
Thanks
Dan
